

My Climate Action Plan

Step 1: Where I think most of my emissions come from... (check one)

Step 2: 'Get Started' at projectneutral.org/reep

Step 3: Target Area: (check one)

Think about:

What is my highest category?

Where do I have the most agency for change?

Step 4: My Goal:

Think about:

Is my goal specific? Can I track my progress?
Is it realistic? Have I set a deadline for myself?

Step 5: Current Snapshot

What I'm doing well:
